Welcome to Year 2

Autumn Term 2025

We are looking forward to another exciting term where your child will be involved in creative, active learning and gaining confidence and skills in the process. At BFP, we refer to our classes as CREWs. Children are taught how to be CREW **not** passengers which gives them a sense of belonging while building their skills of teamwork and independent decision making.

Daily Mile

Children complete a 10 minute run or walk everyday to promote exercise as a healthy lifestyle. This will be completed in the KS1 playground. Children do not get changed for the daily mile. It is essential that their school shoes are suitable for this activity.

Homework

Children will get weekly maths, phonics or spelling activities to complete. Children will also come home with their current reading book and a book to share with an adult at home. Children should be aiming to read for a minimum of 5 nights a week.

Behaviour

Our positive behaviour system is based around the acronym 'REACH IT!' Class Dojo is a reward system we will be using in school, where each child earns 'REACH IT points' for positive behaviours, work in school and work at home, as well as areas where more work is needed. They will receive a small reward for every 100 REACH IT points. Please sign up for DoJo if you haven't already.

Resilient Engaged actively Accountable Challenged Have a go
Independent Teamwork

Our behaviour system has 5 school rules. Pupils will get their name written on the rule board if they break any of the rules.

The BFPA curriculum

We have worked hard to develop our curriculum so that children can become 'Positive Thinkers and LiFE Long Learners.' We have incorporated 7 key principles into our curriculum to ensure all subjects promote and develop this goal. There is more information about these principles on our website. At the heart of every subject is the teaching of Oracy or communication. We teach our children to be purposeful and respectful speakers who can talk confidently about the things that they have been learning about. Every subject is designed to promote this goal. We also support our children to make links between their learning within and across subjects and year groups.

Year 2 Autumn Term

Daily Phonics and English lessons. These teach our children reading, writing and spelling.

Maths: number and place value with daily mastering number lessons.

<u>History:</u> How was school different in the past? Understanding that although schools have been in the local area for a long time, they have not always been the same <u>Geography:</u> Would you prefer to live in a hot or cold place?	<u>Science:</u> Working scientifically: How do scientists investigate materials?
